

Flutter Developer with 1+ year of hands-on experience developing cross-platform mobile applications using Flutter and Dart. Skilled in building responsive, high-performance UI, managing application state, and integrating APIs. Focused on delivering scalable, user-friendly applications with clean architecture and optimized performance.

SKILLS

Programming Languages & Frameworks: Dart, JavaScript, Flutter, React
Mobile Application Development: Android Development, Cross-Platform App Development, Responsive UI Design
State Management & Backend Integration: GetX, REST APIs, WebSocket, Firebase
Payment Gateway & Monetization: Razorpay, Cashfree Payment Gateway, Google AdMob Integration
Database Management: MongoDB, Firebase Firestore
Tools, Deployment & Version Control: VS Code, Git, GitHub, Google Play Console, CI/CD Pipelines

TECHNICAL EXPERIENCE

- Flutter Developer

BringOn Digital Solutions

Jan 2026 — Mar 2026

India

 - Worked on the **YOLO App**, developing the complete **UI from scratch** using **Flutter** with a scalable and maintainable architecture.
 - Integrated **REST APIs** for dynamic data handling, authentication, and seamless backend communication.
 - Implemented **WebSocket-based real-time chat functionality** for instant messaging and smooth user interaction.
 - Optimized application **performance** by identifying and resolving UI, functionality, and responsiveness issues.
 - Collaborated with **UI/UX designers** and backend developers to deliver efficient and **user-centric solutions**.
- Flutter Developer

BrniX Media

Jul 2025 — Dec 2025

India

 - Worked on the **QwizB Quiz App**, improving the existing **UI using Flutter** to enhance visual consistency, usability, and overall user experience.
 - Added new features and refined existing functionalities to increase **user engagement** and application performance.
 - Identified and resolved critical **UI bugs**, layout issues, and responsiveness problems across multiple **Android devices**.
 - Integrated **Google AdMob** for in-app monetization with optimized ad placement and better revenue generation.
 - Optimized application **performance** and delivered regular updates published on the **Google Play Store**.
- Application Developer Intern

DigiQuest Consultancy Services Pvt. Ltd

Mar 2025 — Jul 2025

India

 - Worked on the **Niramaya Homeopathy App**, developing and maintaining a **production-level Android application** using **Flutter**.
 - Integrated **REST APIs** for dynamic data handling, appointment booking, and seamless backend communication.
 - Implemented **Cashfree Payment Gateway** for secure online payments, consultation fees, and smooth transaction management.
 - Created and managed the **Google Play Console** account for application publishing and release management.
 - Deployed the application to the **Google Play Store** and optimized **performance**, scalability, and reliability for growing users.
 - Collaborated with designers and backend developers to deliver efficient and **user-centric features**.

KEY PROJECTS

- QwizB Quiz App

Flutter Development

2025

 - Improved the existing **UI using Flutter** to enhance **visual consistency**, usability, and overall user experience.
 - Added new features and refined existing functionalities to increase **user engagement** within the application.
 - Integrated **Google AdMob** for in-app advertisements with optimized ad placement and minimal user disruption.
 - Identified and resolved **UI bugs** and layout issues across multiple **Android devices** and screen sizes.
 - Optimized application **performance** and delivered regular updates published on the **Google Play Store**.
- Niramaya Homeopathy App

Flutter Development

2025

 - Developed a **production-level Android application** using **Flutter** to enable seamless patient-doctor interaction and access to homeopathy treatments.
 - Implemented core features such as **appointment booking**, **disease-based treatment modules**, and secure in-app communication.
 - Integrated **Stripe Payment Gateway** for secure online payments, consultation fees, and seamless transaction management.
 - Designed a **responsive** and user-friendly interface, ensuring smooth navigation and a consistent experience across **Android devices**.
 - Integrated **REST APIs** and managed **real-time data handling** to support dynamic content and user interactions.
 - Deployed and maintained the application on the **Google Play Store**, optimizing **performance**, **scalability**, and reliability for growing user demands.

- Developed a **mobile application** using **Flutter** to connect users with legal experts for consultations and dispute resolution.
- Implemented key features such as **consultation booking**, **case tracking**, secure document sharing, and user authentication.
- Integrated **Payment Gateway (Razorpay)** for secure online consultation fee payments and seamless transaction handling.
- Designed a **responsive** and user-friendly interface, ensuring a seamless experience across **Android** platforms.
- Integrated **REST APIs** and optimized **real-time data handling** for smooth navigation and efficient performance.
- Focused on **scalability**, **security**, and maintainability to support growing user interactions and application updates.

EDUCATION

B.Tech in Information Technology (7.77 CGPA), Buddha Institute of Technology (AKTU), Gorakhpur	Dec 2021 — July 2025
CBSE (12) - 69%, Surmount International School, Gorakhpur	April 2020 — May 2021
CBSE (10) - 80%, St. Xavier's School, Sahjanwa, Gorakhpur	April 2018 — May 2019
