SKILLS

Programming Languages: Dart
Script and Web: JavaScript, HTML, CSS, Bootstrap, Tailwind
Libraries and Tools: Flutter, React, MongoDB, VS Code, Git
Repository Tools: GitHub
Mobile Platform: Android Development
Deployment and Monetization: Google Play Console, Google AdMob

PROJECTS

QwizB Quiz App (Flutter Developer)

Flutter

- Improved the existing UI using Flutter to enhance visual consistency, usability, and overall user experience.
- Added new features and refined existing functionalities to increase user engagement within the quiz application.
- Implemented Google AdMob advertisements, ensuring proper placement and minimal impact on user experience.
- Identified and resolved UI bugs and layout issues across different Android screen sizes and devices.
- Optimized application performance and delivered regular updates published on the Google Play Store.

Online Kachaheri

Flutter

- Developed an Online Kachaheri application using Flutter, enabling users to connect with legal experts for consultations and dispute resolution.
- Implemented core functionalities such as legal consultation booking, case tracking, and document sharing with secure user authentication.
- Designed a responsive and user-friendly interface, offering a seamless experience across both Android and iOS platforms.
- Optimized the app's performance for smooth navigation and efficient real-time data updates, ensuring scalability and responsiveness for growing user demands.

Niramaya Homeopathy App (App Developer Intern)

Flutter

- Developing an Android application using Flutter for Niramaya Homeopathy to facilitate patient-doctor interaction and holistic treatment access.
- Implementing features such as appointment booking, treatment diseases, and secure in-app appointment.
- Designed a responsive and user-friendly interface tailored for Android devices.
- Published the app on the Google Play Store, ensuring smooth performance and scalability for real-time updates and growing user demands.

WORK EXPERIENCE

Summer Intern, SPI Pvt Ltd

Flutter Developer Intern(Aug 2024 – Sept 2024)

- Gained hands-on experience in software development and project management.
- Collaborated with senior developers on the design and implementation of new features.
- Assisted in debugging and testing applications to ensure high-quality deliverables.
- Participated in code reviews, contributing to improvements in code quality and best practices.
- Recognized as the "Best Performer of Summer Training Intern"

Digiquess Consultancy Services Pvt. Ltd.

Application Developer Intern (Mar/2025 – Jun/2025)

- Completed a 3-month internship focused on developing and maintaining mobile applications using Flutter.
- Contributed to UI development, API integration, and debugging tasks across multiple client projects.
- Collaborated with senior developers to implement user-centric features and ensure performance optimization.
- Gained hands-on experience in version control (Git), and deployment processes.

BrniX Media**Flutter Developer (Jul/2025 – Dec/2025)**

- Involved in developing and maintaining game applications with a strong focus on UI/UX improvements, bug fixing, and monetization strategies.
- Updated and modernized existing game application interfaces to enhance overall user experience and engagement.
- Identified and fixed critical bugs, resulting in improved application stability and performance.
- Integrated Google AdMob for in-app advertising to support effective monetization.

BringOn Digital**Flutter Developer (Jan 2026 – Present)**

- Working as a Flutter Developer on production-level mobile applications with a focus on scalable and maintainable UI architecture.
- Developing and enhancing application dashboards, improving usability, performance, and visual consistency.
- Integrating third-party services and APIs to support dynamic data handling and real-time updates.
- Fixing UI and functional bugs, optimizing app performance, and delivering regular updates.
- Collaborating with designers and backend developers to implement user-centric features following best practices.
